The most notable change is taking Perry from guard and placing him behind the line. He has been dropping heat to do the nunting and is a good hind the line. He has been dropping back to do the punting and is a good defensive player. In the last ten days he has developed some ability in carrying the ball, and he will have his chance to-morrow.

Denfeld, right guard, and Garrett, right end, will begin a regular game for the first time to-morrow. Another unexpected move is the shifting of the right end, will begin and the men specific players and the shifting of the right end.

EAST ORANGE HIGH IN LINE FOR BIG TITLE

Montclair, N. J., Nov. 10.—East Orange High School, by virtue of its 13—7 victory over the Montclair High School here this afternoon, won the right to fight it out with the Barringer High School for the title in the New Jersey Interscholastic League, on Thanksgiving Day.

To-day's game was a hummer. East Orange was first to score, when Aschenback, its centre, broke through, blocked a kick and fell on it for the first score. A long forward pass over the goal line, with Vernon Monte, Montclair's right end, at the receiving end, tied the score in the third period. It looked much like a tie score in the fourth quarter, when Holt, the winning aggregation's quarterback, intercepted a Montclair forward pass and broke through half the local team's players for a sixty-yard run and score. fortunate in this respect this season. We sleyan has made much ground in the last few games by line plunging, and it seems likely that this mode of attack will be used against the Blue and White next week.
